

The Role of the Faculty Resource Council Member

Faculty Resource Council members are asked to perform the following functions.

- *Obtain and keep track of resources provided by Project PACE and the Disability Support Services office.*
- *Obtain other related resources—especially those that are applicable to your discipline.*
- *Inform others in your department about these resources and establish procedures for sharing them.*
- *Inform department members of your availability to discuss their concerns and answer questions about teaching students with disabilities.*
- *Continue to participate in continuing education opportunities related to improving teaching strategies and disability issues.*
- *Inform colleagues of such continuing education opportunities.*
- *Provide information and support for colleagues related to teaching students with disabilities.*
